## Activity Report

### International Women’s Day

Date	08.03.2023-10.03.2023
Purpose	Awareness
Venue	Mettupalayam
About the Programme	In recognition of international women’s day, the Karupa Foundation organized a celebration at Mettupalayam on 8th March 2023 to 10th March 2023. "DigitAll: Innovation and Technology for Gender Equality," will be the event's theme. The Women's Day celebration was a great success, with participants from different rural areas coming together to share their stories and celebrate their achievements. One of the event's highlights was the use of DigiLocker, which allowed women to securely store and share their documents and photos. This was an excellent way for women to connect with each other and create a sense of community. On the next day, the Webinar on the Topic "WOMEN'S HEALTH AND WELLNESS" was discussed.
