About the Programme	The project, which is being run jointly by UNICEF and Karupa foundation, was launched in RK Puram, Bhavanikuppam, Navalur, Nochikuppam, and Athipattu. Team members were formed, and awareness was flagged off for this project. Some of them requested and mentioned that some of their houses had no toilets and toilet facilities needed to be built. Different aspects related to Covid Appropriate Behaviour and WASH awareness have been given. We told all the women about menstrual hygiene, and some of them asked for a napkin.
