Empowering Children through Balasabha: A Journey Towards Participation and Development

Date	23.12.2023
Purpose	Awareness
Venue	Coimbatore
About the Programme	<p>Karupa Foundation conducted a program on Balasabha at Madhukarai Ward No. 1, Coimbatore, demonstrating its commitment to empowering children through active participation. Balasabha is based on the realization that enhancing the capabilities of children from poor families could prevent inter-generational transmission of poverty. We were asked questionnaires about School Education/ Development/Health/ Healthy Habits/Protection and Active Participation. The Karupa Foundation, as part of its Balasabha program, has gone a step further in encouraging children by providing them with silver water bottles. This thoughtful initiative promotes the well-being of the children and symbolizes a tangible reward for their active participation and commitment to the Balasabha initiative.</p>
