Every Idea Matters! Ideas create Generations!

We believe that every idea matters. The difference between ideas is whether they have been realized successfully or unsuccessfully. So, do not let your idea go undeveloped. You never know if it is the next big thing unless you try it. The idea behind the **IDEA Call** is to give a helping hand in the process. Make your entry count and do not miss this opportunity to find your place on this list. Inspirational stories can be found everywhere. Why not make your idea one of them and reserve your spot in the history books? Your idea could also inspire other young people to apply for opportunities and pursue their dreams.

- Deadline: Entries can be submitted anytime. 02 Awardees will be selected on the 30th of every month. Successful awardees will be contacted via email.

Eligibility & Selection

The IDEA Call Scholarship is open to all students from *first grade to Master Degree* students from any discipline. Proposal submitted once may not be re-submitted in subsequent months. The student may apply for other upcoming scholarships from the **Karupa Foundation Mettupalayam (KFM)**. Contest entries must be original and previously unpublished work written by the entrant.

The **Karupa Foundation Mettupalayam (KFM)** has formed an **IDEA Call** Selection Committee that will read and evaluate all eligible entries every month. Every entry will be given a score based on the 5 below mentioned criteria. The scores will be combined and summed up in order to determine the awardees.

The winning entry will receive the financial assistance (up to Rs.10,000/Innovation). All entries are randomized before the selection process to preserve fairness; the identity of awarded entrants is known only after the selection process has been completed.

The committee will choose 2 winners every month. The foundation reserves the right to not issue certain awards if there are no suitable entries. All decisions made by the *IDEA Call* Selection Committee are final.

Entries will be judged on the following criteria:

1. **Comprehension** – How well does the language used to explain the entrant’s idea? Overall comprehension of the entry.
2. **Organization** – Is the entry organized with headings, sub-headings, and paragraphs and does it follow a logical and easily understood progression?
3. **Creativity** – Is the idea creative, never seen before, or offers a unique approach to a relevant issue?
4. **Language** – Does the essay contain a variety of vocabulary, correct grammar and spelling?
5. **Conclusion** – Do the conclusions follow logically from the entry’s content? Does the conclusion explain how the scholarship will impact the entrant’s idea?

We believe that these rules are straightforward and simple to follow. We strongly encourage interested individuals to take their time when writing their entry and make sure that they are submitting their best, plagiarism-free work.

We are looking forward to reading your entries and giving young people the opportunity to work on developing their idea further and turn it into a success story. Good luck!
